

MISSIONS OVERVIEW

Mobilize Opportunities

Our short-term mission opportunities range from two weeks to two years. Long-term missions are available for those who are called and equipped to devote more than two years of life or the rest of their lives. Many long-term missionaries begin with short-term missions.

Missions include every conceivable calling, skill, and talent. We want to help you find your purpose, and for you to grow in your faith and relationship with Jesus. We also want to help you use your skills and passions to impact the world. Our mission opportunities include assignments in the United States and abroad.

We offer mission assignments working directly with our ministry as well as mission opportunities working with a partner organization. Depending on the mission assignment, missionaries working directly with our ministry may have the option to serve anywhere in the United States or in our ministry offices in Orlando, Florida, or Washington, DC.

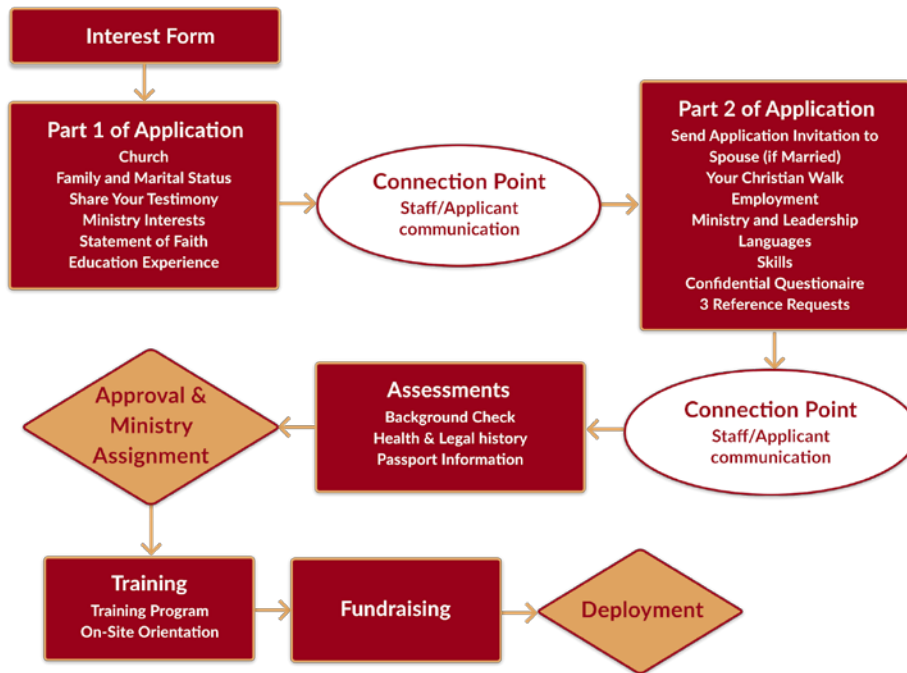

Our opportunities include the following:

- Administration
- Audio and visual
- Church ministry
- Communications and media
- Direct mail and email
- Donor development
- Evangelism
- Finance
- I.T. and Cyber Security
- Law
- Management
- Maintenance
- Mission-sending ministries
- Nonprofit organizations and NGOs
- Public policy
- Security

Application Process

Application Part 1 – This phase will help us learn more about you and your calling, and share more about who we are and possible opportunities. You’ll tell us about your family and the church you attend. We’ll learn more about your salvation experience and Christian testimony, and your vision for future ministry. Along the way, our staff will be available to guide you through the process and answer any questions you have.

Application Part 2 - If you are married, we will ask your spouse to begin an application at this point. We will dive deeper as we learn more about you, your Christian walk, and your story. We’ll ask you to provide contact information for 3 individuals who know you well. We will learn more about your prior work and/or ministry experience, including education, leadership experience, and skills you would like to use for ministry. Upon completion of Application Part 2, our team will reach out to you to review your information and discuss a potential role with our ministry.

Assessments and Approval - At this stage, we will ask you to provide health and legal information, as well as authorizing a background check and providing passport information. Once all of your information has been reviewed, a final approval decision will be made, and we’ll work with you to choose a location and ministry assignment.

Training and Fundraising - After final approval, you will begin training, fundraising, and registration for an on-site orientation hosted at our offices in Orlando, Florida.

Deployment - Once training and fundraising is complete, you will be ready to begin ministry!
